BENEFITS TO TEACHER LEADERSHIP

Region 13 is thrilled to offer the Teacher Leadership Network for 2013-2014.

Enhancing teacher leadership can help schools and districts reach the following goals:

Campuses will select a team of teacher leaders to work together and alongside Region 13 staff in order to create a common vision for teacher leadership at their school. Each campus leadership team will receive training and coaching on leadership and collaboration skills. They will also establish a common vision, goals, and a deep understanding of what teacher leadership means to their campus.
