

The purpose of an IEP is ...  
to improve the educational  
results for children with  
disabilities.

## Are you writing an **effective** Individualized Education Plan?

### IEP Best Practices: FIE to IEP

For the greatest impact, both days should be attended by special education assessment personnel AND instructional personnel.

With a focus on alignment of FIEs, PLAAFP statements and goals, you will leave with the tools to write powerful IEPs aligned to the needs of the student as well as the state standards.
