Amendment Effective Date

An amendment, after being approved by TEA, is considered effective on the date it was received by TEA in substantially approvable form. All amendments are subject to negotiation. An amendment must be approved by TEA before any activities occur, such as purchase orders issued, funds encumbered or expended, goods received, or services rendered that are affected by the amendment. If the grantee chooses to implement such changes prior to the amendment being approved by TEA, the grantee will be responsible for paying, from other fund sources, any costs not approved during negotiations. Refer to the [TEA Grant Opportunities](#) page to determine the last day an amendment may be submitted for a particular grant.
